

Kua raranga tahi tātou he whāriki mō ngā tangata mō āpōpō
Together we weave the mat for future generations

IPNANZ Conference: Weaving the Strands 2009

Where? Hoani Waititi Marae, Waitakere City Auckland
When Wednesday October 7- Friday October 9.

The Injury Prevention Network of Aotearoa New Zealand Inc (IPNANZ) is celebrating ten years!

Some of you will remember the Pacific Rim Community Safety Conference at Hoani Waititi Marae, Waitakere City, in April 1999. This was a critical meeting establishing IPNANZ.

So we are returning to our roots in the beautiful setting of **Hoani Waititi Marae**.

The **Powhiri** is 1.00pm on Wednesday 7th to give you all time to arrive that morning.

We are planning a **different programme** with more time to identify and actively discuss what we want and where we are going with injury prevention in Aotearoa New Zealand in an open space forum.

We will be calling for abstracts at the **end of February** and registrations will open in mid **June 2009** so you have the option of paying from this years budget.
