

Kaukau Korikori

The promotion of water safety was top on the agenda in the development of Kaukau Korikori. Once again Kahungunu Executive and Sport HB have come together to deliver a Bilingual Learn to Swim Programme for Nga Kohanga Reo in the Wairoa Rohe. Four Kohanga Reo have taken advantage of this opportunity and of special note we have seen a high number of Dads in the pool with their tamariki/children. An excellent programme in regards to promoting water safety in the home to our target audience of matua/parents with tamariki/children under five years.
