

## **THE NEW ZEALAND WORKPLACE HEALTH & SAFETY AWARDS 2009**

Tragically 2009 has kicked off with workplace safety fatalities hitting the headlines. Let's provide the media an opportunity to report on some positive workplace health and safety news as well. To do that we need organisations to share their success stories.

Safeguard presents THE NEW ZEALAND WORKPLACE HEALTH & SAFETY AWARDS 2009 proudly supported by the Department of Labour. These awards will be presented in Auckland on 6 May 2009 at Sky City. The category sponsors are DoL, ACC, Air New Zealand, NZ Council of Trade Unions, Impac, NZ Safety, Office Max, SICK Sensor Intelligence and Transfield Services.

ACC is proud to support this awards event and calls for businesses passionate about workplace health and safety to visit [www.safeguard.co.nz](http://www.safeguard.co.nz) and enter. There are a number of categories, all of which are outlined on this site. Entries close 31 March 2009 and any enquiries can be directed to Annette Vao on (09) 360 3712 or [annette.vao@thomsonreuters.com](mailto:annette.vao@thomsonreuters.com). An annual event, the NZ Workplace Health & Safety awards is a fabulous opportunity for small, medium and large businesses to celebrate health and safety success.
